Nestled along a quiet tree-lined street in the secluded elegance of historic Cameron Park, there's the most delightful place to stop, spend the night, take a mid-week break or settle in for a weekend's relaxation.

Cameron Park Inn is within walking distance of NC State, Cameron Village, the Raleigh Little Theater and Rose Garden. It's a few minutes drive to Meredith College, Peace College, St. Augustine's and St. Mary's Boarding School. Close by are the City Market, the Mordecai House and Historic Park, Historic Oakwood, the State Fairgrounds, as well as Glenwood Avenue's restaurants and shops.

As your innkeepers, we would like to make your stay memorable and invite you to enjoy this beautiful home as if it were your own.
